ACT FOR ERECTING THE TOWN OF PROVIDENCE INTO FOUR TOWNS.

In General Assembly at Newport, the third Tuesday of February, 1730-1.

AN ACT for Erecting and Incorporating the Outlands of the Town of Providence into Three Towns.

Forasmuch as the outlands of the town of Providence are large and replenished with inhabitants sufficient to make and erect three townships besides the town of Providence, and the land lies convenient for the same, which will be of great ease and benefit to the inhabitants of said lands in transacting and negotiating the prudential affairs of their town, which, for some time past, has been very heavy and burdensome,

Be it, therefore, enacted by this General Assembly, and by the authority thereof it is enacted, that from Warwick township, eight miles and a half, be measured on the seven-mile line (so called), in said Providence, and a boundary there fixed; and from the said boundary a line be drawn to Pawtucket river to a place called the Ware, about half a mile northerly of Pawtucket Falls; and that for the time to come the town of Providence extend no further west and north than the aforesaid lines.

And it is also enacted by the authority aforesaid that all the rest of the aforesaid outlands to the eastward of the aforesaid seven-mile line and to the northward of the bounds of the town of Providence be, and they are hereby, incorporated and erected into a town called and known by the name of Smithfield, and that the inhabitants thereof, from time to time, shall have and enjoy the like benefits and privileges with other towns in this Colony, according to our Charter.

And it is further enacted by the authority aforesaid that all the rest of the aforesaid outlands, to the westward of the aforesaid seven-mile line, be erected and made into two towns; the dividing line between them to begin at the northwest bounds of the town of Providence at the bounds and monument then made and erected on the aforesaid seven-mile line; and from thence to extend west six degrees and thirty minutes north to Connecticut Colony, and all the lands to the westward of the said town of Providence and to the northward of said dividing line, and to the northward of the town of Warwick up to the Colony line, be, and they are hereby, erected and incorporated a town, to be called and known by the name of Scituate; and the inhabitants thereof, from time to time, shall have and enjoy the like liberty and privileges as other towns incorporated in this Colony, by our Charter, do.

And it is further enacted by the authority aforesaid that the rest and residue of the aforesaid outlands that lie to the westward of the aforesaid seven-mile line, and to the northward of the west line drawn from the northwest corner of the town of Providence, and bounded north on the Province of the Massachusetts Bay, and west on the Colony of Connecticut, be, and they are hereby, erected and incorporated a town and called by the name of Gloucester; and the inhabitants thereof, for the time being, shall have and enjoy the like liberty with other towns in this Colony, agreeably to our Charter.

And it is further enacted that the Justices of the Peace of each of the respective towns of Smithfield, Scituate and Gloucester grant forth a warrant in

some convenient time to call the inhabitants of each town together to chose and elect their town officers as they shall have occasion for, as the law directs, and to appoint the times of their town meetings and the places; and each of the towns to send two Deputies to the next General Assembly, and so on, as by the Charter is ordered.

And that Major William Smith and Capt. Richard Waterman take with them a surveyor, and from the northwest corner of Providence town they run up a line to Connecticut Colony, west, six degrees north, according as the Assembly has ordered and appointed the same.

And that Providence send one grand and one petit juryman to the Superior Courts; Smithfield the same, and Scituate and Glocester each one petit juryman, and Providence to send four grand and three petit jurors to the Inferior Courts; Smithfield two grand and two petit jurors, and Scituate one grand juror and petit juror, and Glocester the same.

And be it further enacted by the authority aforesaid that the towns of Providence, Smithfield, Scituate and Glocester have each their proportion of the interest of the bank money appropriated to the use of the towns of this Colony, according to the sums that the lands lying in each town are mortgaged for; and that what money the Town Treasurer of Providence has advanced for the town before the division thereof be repaid him out of the whole interest money before division thereof be made.
