ACT INCORPORATING THE TOWN OF JOHNSTON.

In General Assembly at Providence, February 26, 1759.

An Act for Dividing the Town of Providence.

Whereas, a large number of the inhabitants of the western part of the town of Providence preferred a petition and represented unto this Assembly that they are within the limits of the said town upwards of four hundred freemen, great part of whom live near ten miles from the place where the town meetings are usually holden and the prudential affairs of said town transacted; and that when meet they are very much crowded, to the great hindrance of business, which, being very inconvenient, they prayed to be set off, made and erected into a district township. On consideration whereof,

Be it enacted by this General Assembly, and by the authority of the same it is enacted, that the said town of Providence be, and the same is hereby, divided into two distinct and separate towns, and that the bounds between them begin on the southern bank of Woonasquatucket river, due north from the easternmost part of a certain hill called Solitary Hill, and extend due south from the said easternmost part of this said hill unto the northern line of the town of Cranston; thence westerly with the said line until it meets with the eastern line of the town of Scituate; thence northwardly with said line until it meets with the southern line of the town of Smithfield; thence easterly with the said line until it comes to a certain place where the said Woonasquatucket river crosseth the said southern line of the said town of Smithfield, and thence easterly with the said river until it comes to the first-mentioned boundary. And that all the lands included within the limits aforesaid shall be, and hereby are, erected into and made a town, to be distinguished, called and known by the name of Johnston; and the inhabitants thereof shall have, hold and enjoy all and singular the liberties, privileges and immunities that the other towns in this Colony are entitled to.

And be it further enacted by the authority aforesaid that all debts due or owing and money belonging to the town of Providence, before the division thereof, by this act made, shall be divided in proportion to the last tax; and all debts due from the said town before the said division shall be settled and paid in like manner.

And be it further enacted by the authority aforesaid that all and every of the Justices of the Peace and Military Officers that were chosen and appointed for the town of Providence, who live in that part thereof which is now made Johnston, be, and they hereby are, continued in their respective offices, with as full power and ample authority, in every respect, as they had in consequence of their being chosen into and commissioned for the offices by them respectively sustained.

And Col. Christopher Harris is hereby authorized and fully empowered to issue a warrant and call the freemen of the said town of Johnston to meet together at some convenient place within the same on or before the 20th day of the next month, in order to choose and appoint officers necessary for the managing and conducting the prudential affairs of the said town.

And it is further enacted that the aforesaid town of Johnston shall send

two jurors, to wit, one grand and one petit, unto all and every of the Superior Courts of Judicature, Court of Assize and General Jail Delivery, and also unto all and every of the Inferior Courts of Common Pleas and General Sessions of the Peace that shall be hereafter holden within and for the county of Providence.
